

Arlington Cultural Council Minutes
Monday, April 11, 2016
Arlington Sr. Center, 7:30pm

Present: Suzi Lubar, Jeff Beaudrou, Brigitte Buehler-Probst, Karin Blum

Visitors: Gaby Marroig

Called to order at 7:32pm

A number of council members were unable to attend at the last minute due to illness. With so few people in attendance, it was decided to move most agenda items to the May meeting. With no quorum, the vote on Gaby Marroig joining the council was also postponed to May.

Jeff B requested a discussion about publicity, but Karin deferred to the next meeting due to Lauren & Merli's absence.

Brigitte asked about the council's involvement with Cultural District effort. Karin gave background information that planning has been going on for more than a year. It was started by the Arlington Comission on Arts & Culture (ACAC), although it was first mentioned even earlier at Arlington Alive summit. The cultural district concept is fairly new. ACAC held a meeting last year that Karin attended. At that time ACC decided to stay in touch, but not to be actively involved. The library is actively involved. Jeff B feels that ACAC has taken a step back from the committee and is letting other people lead now.

Sean Garballey's office is mailing award certificates for grantees. Karin sent thank you notes to the state representatives and other officials. Lisbet should write thank yous to Madrona Tree and Food Link for their donations. Karin will send a thank you to ACA.

Adjourned due to lack of attendance.
